Investment policy

The Fund policy is that of a bond fund. It invests in bonds, money-market instruments, and in bond funds denominated in CZK, issued, among others, by governments, supranational corporations or corporations with credit ratings. To a lesser extent, it may invest in instruments denominated in certain foreign currencies. Its strategy allows the Fund to invest in financial derivatives mainly serving currency hedging. It may invest as much as 100-percent of the Fund asset value in investment securities or money-market instruments issued or guaranteed by the Czech Republic. Recommendation: The Fund may not be suitable for investors who intend to recover their invested funds within a term shorter than 2 years.
